

## **Hamid Reza Khankeh**

**Date of Birth:** 22 Dec 1967

**Professor in Emergency & Disaster Health**

**Member of national academy of medical sciences**

**Address:**

Department of Health in Disasters & Emergencies

University of Social Welfare and Rehabilitation Sciences (USWR)

Department of Clinical Science and Education

Karolinska Institutet, Sweden

Department of Educational and Rehabilitation Psychology

Leipzig University, Germany

Scientific Board Member of IPT E.V Leipzig, Germany

**Telephone:** +982122180160

**Fax:** + 982122180160

**E-mail:** [hamid.khankeh@ki.se](mailto:hamid.khankeh@ki.se), [hrkhankeh@hotmail.com](mailto:hrkhankeh@hotmail.com)

**Main Expertise: Qualitative designer in field of Emergency and Disaster**

## **Current Position**

- 2015-Present Deputy of Research and Technology in University of Social Welfare and Rehabilitation Science
- 2009- Present **Deputy, consultant and senior advisor in field of Health in Emergency& disaster in MOH, Emergency Management Center**
- 2013-Present **Head of national secretariat for Health in Emergency and Disaster in Iranian Ministry of Health (MOH)**
- 2011- Present Associate Professor at USWR, (focused on research in field of Emergency and disaster).
- 2012- Present **Head of Department of Health in Emergency and Disaster in USWR**
- 2010- Present **Post-Doctoral research fellowship in health in Emergency and Disaster, Senior Researcher, Department of Clinical science and education, Karolinska institute, Södersjukhuset (KI SÖS)**
- 2010- Present Qualitative designer and teacher in **Department of Clinical science and education, Karolinska institute, Södersjukhuset (KI SÖS)**
- 2010- Present Designer and leader of 5 National workshops in Hospital Disaster Preparedness Planning (HDPP)
- 2009- Present **Senior Advisor in the field of Emergencies and Disasters In Ministry of Health (Iran) focusing on HDPP**
- 2008-Present **Head of Research center for Health in Disasters and Emergencies at University of Social Welfare and Rehabilitation (Iran, USWR)**
- 2012- 2014 Vice chancellor of Treatment and Rehabilitation at USWR

2006-2010 **Guest researcher at Karolinska Institutet, Department of Public Health, Division of Social Medicine, in field of Disaster, Norrbaka 2<sup>nd</sup> floor, 171 76 Stockholm, Sweden**

2008-Present **Guest lecturer in Disaster and Qualitative research, at Karolinska Institutet and Nordiska Högskolan (Göteborg)**

2008-2012 Head of Education Development Center (EDC) - USWR, Iran, Tehran

2008-2010 Head of nursing department in USWR, Iran, Tehran

2006 Member of focal point group about disasters at ministry of health nursing office.

1996 – 2006 Head of medical and nursing administration office in Raazy Hospital. Iran, Tehran

#### **Education**

2010 – Present **Post-Doctoral research fellowship in health in Emergency and Disaster, Senior Researcher, Department of Clinical science and education, Karolinska institute, Södersjukhuset (KI SÖS)**

2003 (March)-2007(May) PhD, Iran University of Medical Sciences (IUMS) in field of Emergency and Disaster. ◉  
*Designing a model for health care services at the time of disaster: A Grounded Theory Study*

1991 – 1995 Master degree of medical – surgical nursing education in Shahid Beheshti Medical University.

1986 – 1990 Bachelor of nursing in Iran University of Medical Sciences. (IUMS).

### **Formal training**

|                    |  |
|--------------------|--|
| 2010 May           | Introductory Doctoral Supervisor Training course at Karolinska Institute   |
| 2009 (Sep and Oct) | <b>Disaster coordination for Middle East countries (Japan, JICA, Hygo University)</b>                                      |
| 2009(May)          | Social and economic determinants of health in developing countries, Karolinska Institutet, Stockholm , Sweden(7,5 credits) |
| 2007(Feb)          | Research in injury prevention and safety promotion: Designs, Methods and analysis (Karolinska intituet,5 credits)          |

### **Research projects and Academic distinctions**

|               |   |
|---------------|---|
| 2013-Present  | Developing National tools for:<br><ol style="list-style-type: none"><li>1. Hospital Disaster Preparedness</li><li>2. National Hazard Assessment</li><li>3. National Health Surge Capacity</li></ol> |
| 2014- Present | Developing National single Emergency number to integrate all emergency number   |
| 2013-Present  | Developing disaster preparedness plan for Tondgoyan Oil Refinery  |
| 2014- Present | developing strategies to improve Emergency Management System in MOHME   |
| 2010-1013     | <b>Developing Disaster Rehabilitation Model in Iran Using Grounded Theory approach</b>  |

- 2011-Present                    **Developing National Guideline for hospital Disaster Preparedness Planning(HDPP). Funded by Iranian Ministry of Health(First and Second edition)**
- 2011-2-12                      **Developing National Disaster Preparedness Programm,  
Funded by World Health Organization**
- 2012- Present                 **Evaluating Reproductive Health after Iranian Recent Disasters, funded by UNFPA**
- 2013- Present                 **Expolring the experiences and perceptions of HEMS doctors in European countries regarding their non-medival activities funded by Department of Clinical Science and Education, Karolinska Institutet**
- 2010- Present                 **Main supervisor of 5 PhD project at USWR, which have been done in field of Emergency and Disaster including;**
1. Social reintegration after disaster,
  2. Prehospital emergency care services in Road Traffic Injuries,
  3. Prehospital emergency care in Burn injuries,
  4. Disaster Preparedness Nursing care model
  5. Developing a comprehensive scale to evaluate Disaster Hospital Preparedness
  6. Developing a comprehensive model for National Traffic Incident Management
- 2009- Present                 Head of research team for Providing National Hospital Disaster Preparedness Guideline

|               |   |
|---------------|---|
| 2009-2010     | Assessment of Hospital disaster preparedness at USWR  |
| 2008- Present | <b>Assessment of disaster preparedness among nursing managers all over the country (Iran)</b>   |
| 2007-present  | <p><b>Co-supervisor of 5 PhD projects at Karolinska Institutet and 3 at MidSweden Universities including;</b></p> <ol style="list-style-type: none"> <li><b>1. Post crash management,</b></li> <li><b>2. To develop an effective hospital based disaster management plan for medical response to earthquakes in Iran</b></li> <li><b>3. Well-being among adults with congenital heart</b></li> <li><b>4. Access and barriers to emergency care for road traffic injuries in a middle-income country – the case of Iran</b></li> <li>5. Exploring the life after stroke based on experiences and perceptions of stroke survivors, their family caregivers, formal caregivers and experts in Iranian context</li> </ol> |
| 2005- Present | <p><b>Main Supervisor and co-supervisor for 16 Master theses</b></p> <p><b>All related Health in Emergency and Disaster specially</b></p> <p><b>HDPP and nursing</b></p>  |
| 2006-present  | Member of Safety promotion and injury prevention research group at Karoliska institutet, Department of public health division of social medicine  |
| 2003 – 2006   | <b>Designing a Model for Health Services at the time of Disasters: A qualitative research.</b>  |

2005- 2010 Active member at focal point research group for chronic mental health client in the(USWR).

2000 – 2004 Research of Discharge planning in chronic psychiatric patients of Raazi psychiatric center in The (USWR).

#### **Commissions of trust**

#### **Other Merits**

#### **Head of scientific committee in 6<sup>th</sup> international Congress in Health in Emergency and Disaster 2014**

As a participant: \*35 certificates of participation in workshops (18 in field of Health in Emergency and disaster).

\*38 certificates of participation in seminars, congresses, etc, as an executive member, panel member, presenting scientific posters, director of executive committee, member of the scientific committee(15 in field of Health in Emergency and disaster).

As a lecturer: 44 articles in the national and international seminars, congresses, conferences mainly in field of in field of Health in Emergency and disaster Two paper in 15<sup>th</sup> World Congress on Disaster and Emergency Medicine, 13 – 16 May, 2007, Amsterdam.

Five paper in 2<sup>nd</sup> and 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> International congress on Health, Medication and Crisis Management in Disaster in Iran, Tehran, 2003 and 2006.

Congress of Emergency Medicine, Iran University of Medical Sciences, Iran Tehran, 2005

As an instructor: Teaching in 95 national workshops in field of Health in Emergency and disaster.
